

**INSTRUCTIONS FOR
END-USER and DESTINATION CERTIFICATION**

In accordance with National Oilwell Varco's and its U.S. and Foreign affiliates and subsidiaries ("NOV") corporate compliance policy and United States export laws and regulations, it is necessary to ensure that our customers understand and abide by all applicable U.S. and international export controls and related laws. Accordingly, we kindly request that your company certify in writing that it is in compliance with the laws and regulations described below. **Please "Cut and Paste" the following language from page two (2) onto your company's letterhead.** Please identify the PO, RFQ, or other specific tracking number in the spaces provided. You may include multiple PO, RFQ, or other specific tracking numbers on this certification as long as the End User and End Destination are the same for each order. Please be very specific when providing the End Destination for the products – i.e. current field/block for Venezuela, South Sudan or Angola. For rigs or vessels, please be sure to include the rig or vessel name, the owner or operator of the rig or vessel, and the type of rig (land or offshore). Please have a company **Director, Officer, Manager, General Manager, or Rig Manager** sign the document on behalf of your company and legibly print their name, title, and the name of their respective company/subsidiary. Once the form is fully completed please return it to your NOV contact.

U.S. Export Control Law Compliance
